

Compliments

Thank you very much for organizing the GoGBA mission to Shenzhen. We feel deeply honoured and have gained a lot of insights, and a deeper understanding of the development direction of China.

Mr Angus Lam, Sales Manager
Aquaculture Technologies Asia Limited

I am writing to thank you for the invaluable business connections throughout the study tour you have provided me recently. The connections assist the industry in exploring registration, laws and regulations of health supplements in China.

Joanne Cheung, Honorary President
Hong Kong Health Food Association

Having heard HKTDC's insights, we now recognise the opportunities available in the Greater Bay Area, particularly in Qianhai.

Vincent de Saint-Exupéry, founder
Orbis Alliance
